Little Indians 20th Anniversary Pow Wow

Facts and Cost

WHAT?

The 2017 Little Indians Pow Wow is an informal gathering to celebrate the 20th Anniversary of our chapter. Our gathering is meant to be a fun time for owners to meet each other, display their cars and swap stories about these special vehicles. There will be a popular vote for trophies and a special award for longest distance driven, plus some other surprises being planned at this moment.

WHERE?

Our gathering will be at Summit Motorsports Park in Norwalk Ohio and will be held during the Ames Performance Pontiac Nationals.

This year, there is no official host hotel in that rates have gotten so competitive that hotels are not offering significant group discount rates as in the past. Each attendee should make his/her own reservations at one of the many Sandusky/Milan hotels.

WHEN?

Thursday night August 3rd will be an "early bird" Tempest cruise to Danny Boy's restaurant for Dinner. Tempests roll out of the hotel at 6:30.

The Ames swap meet and time trials open on Friday, Aug.4. All are invited to gather for a fun, casual BBQ picnic on Friday evening at the reservoir park not far from Summit Motorsports Park (see cost below). The car show will be held on Saturday, August 5, with an awards ceremony at 4:00 pm. If you are racing, the track opens on Friday August 4th for vendor set-up and test and tune for the racers.

WHO?

Little Indians invite all 1961-1963 Tempest and LeMans stock as well as modified cars to join us. If you are not a member of the Little Indians Chapter of POCl, you are still welcome and while we hope that you will consider joining our chapter, membership is not required to join our show or our catered Friday evening BBQ.

COST?

All Little Indian Members may attend our show at no cost but will be required to register and pay the Ames Performance entry/contestant fee. Non-Little Indian members will be charged a \$5 fee to enter our "show within a show". The cost to register with Ames is \$45.00 for one car and driver and all others will be charged \$35 for 3 days (Friday through Sunday) or \$25 (Saturday and Sunday). If you wish to drag race your car, Ames charges \$70 for the car and driver for the full weekend including Test and Tune on Friday and racing throughout the weekend.

The Little Indians Dinner Cruise is to Danny Boy's restaurant. There is no fee. Each attendee orders from the menu and pays his/her own bill.

The Little Indians Friday evening BBQ is \$15 for adults and \$8 for children under 12 for LIC members. Non-LIC members are \$15 for adults, \$8 for children under 12.

AMES RULES

To "show" your car it must be a Pontiac bodied car and to park with us it must be a Tempest or LeMans between the years of 1961 and 1963. While your "class" for Ames Judging purposes may be different, be that stock, modified, or custom, we will all still park together on the show field. After entering the grounds, you will be instructed to go to the tech lines where they will determine your "class" and provide you with your bag of documents, VIP tickets and specific show rules.

To race, the rules are somewhat different. Any "Pontiac Bodied" cars may have a stock or modified drivetrain of any make, and if you have a non-Pontiac bodied car, it may still race if it has a Pontiac engine, but non-Pontiac bodied cars can't come to the show field. You will be assigned a class in which you will race. If you are racing, you will be expected to stay on the race side of the track until you are done for the day. At that point you are welcome to drive over to the show field and park in our display area.

EVENT FACTS

Ames has a buffet dinner on Saturday evening which is free and included in your entrance fees. During the mornings, they generally have a cart driving around offering free coffee and donuts or you can visit the hospitality tent with your event pass. There are also many vendors for food, Pontiac parts, clothing, etc. and the largest Pontiac swap meet in the country, should you be looking for those elusive parts for your car. You will receive wrist bands which allow you to come and go from the track for the weekend and you will need to visit AMES VIP to get your hospitality passes.
